Experience an adventure of a life time

See the World as never before!

A Broader View Volunteers works incredibly hard to keep our costs at a minimum. Our affordable programs fees allow anyone wishing to volunteer overseas the opportunity to do so. As a registered (501) (c)(3) charity organization ALL program expenses relating to your ABV service mission are considered tax deductible (applicable to US tax payers). Our charity # is 26-0594308.

About A Broader view

A Broader View Volunteer is a 501 (c)(3) non profit charitable organization created in 2007 by Oliver and Sarah Ehlers. We arrange volunteer abroad programs for spring break journeys, gap year trips, humanitarian mission trip, medical mission work and peace corp alternative programs which provide an opportunity to do something so rewarding, that we guarantee you will never ever forget it!

Why Volunteer Abroad?

Volunteering abroad can be immensely rewarding and beneficial in terms of broadening your global horizons, or helping choose a career path. To really gain insight into a country you need to be 100% immersed. Volunteering is a great way to become a global citizen. Our ABV programs provide volunteers the opportunities to build life skills, enhance a resume or college applications, learn a new language and provide hands-on humanitarian support in disadvantaged communities worldwide. Join us today and gain A Broader View of the World.

What our Volunteers Say about ABV?

"I've never been on a trip where I was forced to learn so much. I was faced with challenges that I had to find creative ways to overcome".

Aimee (Kenya)

"Overall, it was a wonderful experience. I thoroughly enjoyed myself and felt like I was able to help out”.

Kathryn (Tanzania)

"I am immensely grateful for the time that I was able to spend in Cusco. I feel this ended up being a perfect volunteer experience for me”.

Amelia (Peru)

Gain A Broader View of the World: Volunteer your time and efforts to improve the lives of those less fortunate. Short and long term placements available year round in Central and South America, in Asia and throughout Africa.
